

CLUBS OF THE CITY WELCOME BOYS IN ARMY

All men in the military or naval service of the United States who spend any time in Ogden as they are passing through are notified by a sign in the Union Depot that they are welcome to the privileges of the clubs of this city. The various clubs of the city have joined hands to make the soldier or sailor as comfortable as possible and to extend the hand of fellowship to him while he is in this city.

Hanging on the wall near the schedule boards in the station is a glass covered and framed announcement, in good sized letters. At the top of the announcement is the single word, "Greetings" and beneath this is a representation of a screaming eagle. Then follow the words:

"To all men in the services of the U. S. A.—You are cordially invited to make use of the privileges of the clubs of Ogden."

The following clubs are then named in order:
A. F. @ A. M.
B. P. O. E.
F. O. E.
L. O. O. M.
K. P.
Ogden Golf and Country Club.
University Club.
Weber Club.
